The train is a handy alternative for getting to Trentino without the worry of motorway traffic and winter snow. You can reach Trento Station using the high-speed Frecciargento, Italo, Deutsche Bahn, and ÖBB trains or the regional and interregional services. Then from here take the Trento-Malé-Mezzana line to Val di Sole, from where there are regular coach links to all the towns.

The Trento Malé Mezzana station is about 200 m from Trento railway station, and this is where you get the narrow-gauge train that connects Trento to the Val di Sole. Once you arrive at Daolasa station you will find yourself at the entrance of the event! There is no simpler and more sustainable method of reaching us!
